

Trans University & College Activist Network (TUCAN)

TUCAN supports activists and advocates at colleges and universities to improve transgender experiences in higher education.

Students, faculty, staff, and administration in higher education **discuss issues** pertaining to trans advocacy and equal rights.

Share resources about improving trans experiences in higher education.

Create community for activists and advocates working on trans issues.

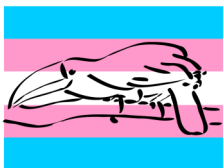

Connect college communities and the larger **transgender advocacy** movement.

Join our online network:
